

### **APT APC COURSE – EWRITING WORKSHOP**

The E-writing Workshop is scheduled for the week of the 10<sup>th</sup> of August.

As E-writing forms an integral part of a candidates success in the APT and APC assessments, the APT Team aims to ensure that all our candidates are 100% comfortable with, and proficient in the use of, the SAICA prescribed E-writing software. Our dedicated E-writing Workshop will guide candidates through all the functionalities of the software, as well as teach them best practices with regards to the use of the software in an exam environment. Furthermore, candidates will have the opportunity to apply these newly acquired skills in a practical scenario based on an APT Exam question. Past experience has indicated how much value the E-writing Workshops add and we generally see a great improvement in the way candidates apply the software in future exams.

**Below, please find the Link for the E-writing Workshop that is scheduled for Wednesday, the 11<sup>th</sup> of August at 09:00 – 10:30**
