

CASS Calendar

Annual Seminar

Once every year, CASS members attend an exclusive 3 day seminar at a luxurious holiday resort within Zimbabwe. Business leaders drawn from all sectors of industry are invited to speak and mentor the delegates. The seminar is also the students' opportunity to network, tour Zimbabwe's scenic wonders and to unwind away from their demanding schedules.

CASS Soccer League

In winter every year, the Society hosts a hotly contested soccer league in which trainee accountants from ten firms across Harare battle it out for championship glory.

CASS Interfirm Sports Day

Every August, the students from across all training firms put aside their IFRS handbooks, suits and ties and meet on the sporting fields. CASS hosts a sports day where members show their talents in athletics, basketball, netball and a host of other disciplines. The firm that wins overall takes home the prestigious CASS shield and the ultimate bragging rights.

Corporate Social Responsibility

CASS is committed to the community! Every year the Society selects at least two charitable beneficiaries and raises funds for a meaningful contribution. The Society has made donations to SOS Children's Home, Harare House of Smiles, Rose of Sharon among others institutions.

CASS Leadership

The Student Society's patron for the 2017/2018 Presidential year is Mr. Fungai Kuipa.

The executive leadership comprise the following:

Regis Shangwa – President

Nyasha Chokera – Vice President

Tapiwa Mhlanga – Treasurer

Batisai Mashinya – Projects Co-ordinator

Tapiwa Kaseke - Projects Co-ordinator

Paidamoyo Marongwe – Secretary

Mufaro Chamunorwa – Public Relations Officer

Vimbiso Scholarship Fund

About the Scholarship Fund

The Chartered Accountants Students Society (CASS), in collaboration with the Institute of Chartered Accountants Zimbabwe (ICAZ), launched Simbiso Scholarship Fund (the Trust) to prioritise youth education as a sustainable and impactful way of improving society. The Trust was borne out of a realisation that the cost of education has continually increased, taking with it the hopes and dreams of an academically gifted but economically disadvantaged student population.

Objectives of the Trust:

The Trust stands guided by the following objectives:

To offer educational assistance to academically gifted persons from disadvantaged backgrounds wishing to pursue careers as Chartered Accountants in Zimbabwe;

- To provide financial support for the less privileged students;
- To groom, mentor and provide life skills to beneficiaries;
- To promote the maintenance of any school or faculty providing education in relation to the business of ICAZ and CASS;
- To provide valuable life skills information which children facing complex challenges need such as education, mentorship and career guidance in order for them to be able to make informed life decisions;
- To nurture scholarship life beneficiaries to have a heart for the community that will help them to willingly make contributions to the Trust when they have successfully completed their training;
- To create awareness of the Chartered Accountancy profession to prospective students and the general public;
- To fund and set up libraries across the country with a bias on accounting related books;
- To generally promote the education of persons studying to become Chartered Accountants in Zimbabwe; and
- Generally to do or undertake all or any such other acts, matters or things and charitable activities as are necessary for the attainment of the Trust's objectives.
