

MORE DETAILS

www.ZimSelector.com is Zimbabwe's first online shopping mall for financial services that allows you to compare and buy insurance and banking products from Zimbabwe's most trusted brand in a matter of minutes. This is particularly good news for Zimbabweans in the diaspora who can, for the first time, easily access these services in a safe easy and reliable way. Get instant quotes for Motor, Home, Life, Funeral, Medical, Travel insurance and pay using International cards, Zimbabwean cards or EcoCash. You can even apply for a new Mortgage, Bank Account or investments online from home or abroad.

ICAZ would like to encourage its members to use [ZimSelector.com](http://www.ZimSelector.com) , not just because it is a smart way to buy, but also because of its special arrangement with [ZimSelector.com](http://www.ZimSelector.com) which means part of the commission that they earn from your purchases is returned directly to ICAZ. So with every product you buy in this convenient way, you are also building your professions Institute.
