Dear Sir/Madam

INVITATION TO ZNNP+ BOARD OF TRUSTEES

We write to advise that ZNNP+, as a national network representing the interests of People living with HIV in Zimbabwe is desirous to appoint a Board of Trustees in line with its recently reviewed Constitution;

Briefly, the ZNNP+ was formed in 1992 and was registered as a PVO in 1999. ZNNP+ was governed through a NEC up to 30 June 2018 whence forth the Constitution was amended to reflect that a Board of Trustees be appointed to be tasked with the overall running of ZNNP+.

Article 14 of the ZNNP+ Constitution states that "ZNNP+ shall appoint a Board of Trustees comprising of a practicing legal representative (lawyer); a practicing medical doctor; a registered public accountant and or auditor; a registered human resources practitioner; and an NGO expert" It also states that "the BoT shall have a fiduciary responsibility for the governance of the Organisation, serving to shape and oversee its broad policies. BoT members shall be appointed through a process of open selection or via identification through professional bodies The BoT shall be responsible for the tactical and strategic functions of the Organisation. These shall include planning, leading, organizing and directing the Organisation through the Secretariat".

Article 15 states that some of the functions of the BoT include interpreting the meaning of these rules and any matter relating to the Organisation on which the rules are silent; formulating and having oversight role on policies, aims and objectives of the Organisation; informing the NEC of plans, decisions and actions of the BoT.

It is with this in mind that we are approaching you either as an individual or your institution to second an individual with requisite skills, time and dedication to assist with the running of ZNNP+. Kindly advice of your availability or the availability of a member from your institution.

Yours faithfully,

E Makorovodo
